---	-------------------------	-------------------------	----------

SPECIAL SERVICES:

Port forwarding	R 50.00 / month	Virtual server hosting	R 900.00 / month *Enquire
Static Public IP	R 150.00 / month	True Cover	Client Premises Equipment (CPE & POE) cover at R30pm
Mail domain hosting	R 60.00 / month		

Although TrueWAN uses a wireless network to get to your premise, there will be a network cable from the antenna to your PC, switch or wireless access point. For multiple PC's, add a network switch to connect them all to the internet. To create a wireless hotspot indoors, you will need to purchase a Wireless Access Point.

Network switch	From R 190.00	5 port 10/100 switch (8 port @ R220). For network cabling: R4/m & R10/end (excl add labour @ R300/h)
Wireless Access Point	R 450 / R690 / R1390	Wireless Access Point / router (to create a wireless hotspot) – (excl additional labour @ R300/h)
